

MAKING THE LEADER OF TOMMORROW.....

Our school organized **Investiture Ceremony** for the office bearers from senior and junior wing on 7th May, 2014. As the new session 2014-2015 gains momentum, we all gear up with renewed strength, energy and ideas to make 'better' everything that has been 'good'. The year ahead is a year of learning and wisdom. The unending quest of knowledge shall ever take us onwards to new goals and achievements and in this endeavour to achieve every single effort counts. Every single one of us has to move forward and contribute. No one is less important, we all need to realize our potentials and talents and willingly employ them.

In this quest of ours to achieve, a great responsibility rests on the shoulders of our newly elected school leaders. Our **Head Boy Milind Singh**, our **Head Girl Reishumai Basumata** and the all the other school prefects. Leadership is a quality that many aspire for but only a few truly obtain. God has chosen all of you for the special task of leading the school and in order to lead, you must first learn to follow. Follow with an open mind with focus and with purpose. Being an efficient leader means to choose the right course of action, always remembering those who would be affected by your actions.

A true leader had the confidence to stand along, the courage to make tough decisions and the compassion to listen to the needs of others. I am certain that you all shall prove worthy of all your responsibilities as leaders of the school, as students of the school, and be a source of pride and joy for your parents, your teachers and above all the Almighty God.

Thus let us together strive and strike to achieve academic excellence, curricular exposure and every time set an example. As we move forward there shall be trials and difficulties but if our trust is in God and our goal in our hearts, then nothing can stop us from achieving our aim. I conclude with these verses from the Bible.

- **Consider yourself fortunate when all kinds of trials come your way,**
- **For you know that when your faith succeeds in facing such trials the result is the ability to endure.**
- **Make sure that your endurance carries you all the way without failing so that you may be perfect and complete, lacking nothing, But if any of you lack wisdom, you should pray to God who will give it to you; because God gives generously and graciously to all.**
